Red spaces include job search, getting married and buying a house, all the tasks that players must complete in the game of life. Photo Courtesy: Triple S Games / Youtube If you land on a living space, you can choose a living tile from the Life Tile Stack. Insurance can protect your car or home from damage or theft, and stocks pay out when any player turns the number in their stock on the wheel. Then put your deed and insurance playfully, but keep your shares in front of you, so you can continue to collect the stock payments of spins until everyone has reached retirement. First introduced in 1860 by the company Milton Bradley, the game was originally called the game of life chess. The basic version was exhibited today first appeared in 1960, 100 years after the initial introduction. If you decide to immediately start a career, choose a career chart and then move your car to the corresponding spaces (start career or start college). \* Coin rate for the membership rank is determined based on your rank when you proceeded to the settlement screen. Details of Coin (s) - Association rank (your rank no rating) 1% 1 Coin = 1 JPY. If you land on a green space, you collect your salary from the banker. But the winners still run over the losers, and the victims pile up. The remaining tiles are drawn by players during the game. A player is chosen to be the banker throughout the game. Don't look at the three part of the tile! These advantages of the game are not revealed until the end of the game. A young damsel of sanctuary laughs at how nothing has changed... You can also take out loans from the bank at any time, but all must be paid when you retire. photo courtesy: Triple S Games / Youtube How to Retire and Finish The Gamewhen you adv. adv ad ogogj od rodecnev o ©A - sodanocitase majetse edno atropmi oEAn - ogogj od lanif on ortehnid siam met euq rodagoj O .mectnocca sasioc sairjÁv .orielubat od lanif on airodatnesopa ed ošÁpse oa everyone has retired, the wheel contenders parked at Millionaire Estates count their money, and the richest player parked there takes the four tiles that were placed there at the beginning of the game. The board also includes special spaces that may require you to pay money to another player or the bank. Once you are on the appropriate starting space, you can spin the wheel to move and take your turn. Photo Courtesy: Triple S Games/YouTube How Does Gameplay Progress?As the game progresses, you move along the path on the board, landing on spaces with different colors for different purposes. If you decide to go to college, you immediately take out a loan for \$40,000 and choose a Career Card that says eÁÁÁDegree RequiredeÁÁÁ as well as a Salary Card. Even in its early stages, the game we still play today had the same premise, with players moving around the board and passing through the different stages of life, including going to college or going straight to work, getting married, having children and eventually retiring eÁÁÁ hopefully with a fortune in the bank. Á Á As with any board game, The Game of LIFE had specific rules that have changed somewhat over time, particularly with the introduction of special themed versions like the Pirates of the Caribbean edition. College careers offer higher salaries but immediately put players in debt. First, you must repay any outstanding loans you took out during the game.
